Dr. Adam Owen: Coach Profile .....	6
Dr. Adam Owen: Career of High Performance Expert .....	8
How this Book Fits into the "Football Periodization to Maximise Performance" Philosophy.....	9
Benefits of Technical Practices to Maximise Training Outcomes .....	10
Technical Development in Football Periodization Methodology .....	11
Diagram Key .....	12
Practice Format.....	12
<b>The Training Week .....</b>	<b>13</b>
Practice Design Considerations to Optimise Coaching Outcomes .....	14
Training Session Flow .....	15
Practical Coaching Model to Build the Training Week (Microcycle).....	17
Periodization, Tapering Strategy and Maximising Performance.....	18
The Training Week: Professional Microcycle .....	19
Training Session Format for Professional Microcycle.....	20
The Training Week: Semi-Professional Microcycle .....	21
The Training Week: Youth Academy Microcycle.....	22
The Training Week: Grassroots (Youth) Microcycle 1 .....	23
The Training Week: Grassroots (Youth) Microcycle 2 .....	24
Analysis of a 6-Week Training Mesocycle and Positional Quantification in Elite European Football Players.....	25
<b>Periodization of Technical Training .....</b>	<b>26</b>
Periodization of Technical Practices in Football Training.....	27
Intensive and Extensive Technical Practices.....	28
Intensive and Extensive Technical Passing Actions in Football .....	29
Considerations of the Microcycle (Training Week) .....	30
<b>Passing Analysis: Highlighting the Technical Requirements of Elite Players .....</b>	<b>31</b>
Technical Passing Performance of Elite Midfielder Rodri (Ballon d'Or Winner).....	32
Technical Passing in Football: Lessons from Rodri's Elite Performance .....	35
Passing Dominance in La Liga: Real Madrid and Barcelona .....	36
Analysis of Passing and Goal Scoring Trends at International Tournaments.....	37

Breaking Lines and Passing Distances .....	38
Tactical Insights and Practical Applications for Coaches .....	40
Further Technical Research Findings in Elite Professional Football .....	41
Impact of Player Movements When Receiving Passes (La Liga Study).....	42
Summary of the La Liga Study Findings .....	43
<b>Intensive Technical Practices (Small Spaces).....</b>	<b>44</b>
Intensive Technical Actions and Practices in Small Spaces .....	45
Intensive Technical Practices within the Training Week (Microcycle) .....	46
Intensive Technical Training Session - 4 Days Until Match (MD +3/-4) Example.....	47
Intensive Technical Training Session - 2 Days Until Match (MD +5/-2) Example.....	48
MD +3/-4 and MD +5/-2 - Intensive Technical Practices.....	49
Key Coaching Points for Intensive Technical Practices (Small Spaces) .....	50
1. Juventus Dynamic Speed and Agility Movements Technical Circuit .....	51
2. Real Madrid "In and Out" Dribbling and Passing Circuit .....	52
3. Technical Receiving (Body Shape) Rotational Passing Combinations.....	53
4. Bayern Munich Open Up to Receive Play Through and Around Passing .....	54
5. Technical Receiving and Support Play Passing Combinations.....	55
6. Up, Back, and Through Passing and Switching Play Combination .....	56
7. End to End Third Man Run Combinations to Play Forward.....	57
8. Ajax Triangle Open Up to Receive Rotational Passing .....	58
9. Ajax Triangle Rotational Passing with One-Two Support Play .....	59
10. Ajax Triangle One-Two Support and Quick Combination Play .....	60
11. Ajax Triangle Free Player Decision Making Passing Combinations.....	61
12. Aerial Passing and Receiving Technical Triangle .....	62
13. High Speed Triangle Combination Play with Angled Passing.....	63
14. Up, Back, and Through with Give & Go Speed and Timing Passing "Y".....	64
15. Up, Back, Through, and Around Passing "Y" with Angled Forward Passing.....	65
16. Passing Combination Play and Dribbling Technical Skills "Y" Passing Race.....	66
17. Create Space to Lose a Defender and Scanning Double Movement Diamond Passing.....	67
18. Pass and Make Opposite Movement "Cross Shape" Diamond Passing .....	68
19. Play Wide and Through Diamond Passing Combinations .....	69
20. High Speed One Touch Diamond Support Play Passing Combinations.....	70
21. Inter Milan Passing, Receiving, and Quick Combination Play.....	71
22. FC Barcelona Small Spaces "Figure of 8" Progressing Play Combinations .....	72
23. FC Barcelona One-Touch Passing Combinations to Play Forward.....	73
24. Individual Technical Skills: Receiving, Passing, Turning, and Dribbling.....	74
25. Ladder High Speed Passing, Back Foot Receiving, and Shooting .....	75

26. Manchester City One-Touch Passing and Finishing Target Goal Race ..... 76

**Extensive Technical Practices (Large Spaces)..... 77**

Extensive Technical Actions and Practices ..... 78

Extensive Technical Practices within the Training Week (Microcycle)..... 79

Extensive Technical Training Session - 3 Days Until Match (MD +4/-3) Example ..... 80

MD +4/-3 - Extensive Technical Practices ..... 81

Key Coaching Points for Extensive Technical Practices (Large Spaces)..... 82

1. Receiving Under Pressure and Dribbling Skills Passing "Y" ..... 83

2. Changing Lines and Angles Passing Combinations and Support Play ..... 84

3. PSG Switching Play Passing and Receiving Rotations ..... 85

4. Technical Rotational Passing Race (Progressive Pattern) ..... 86

5. FC Barcelona "Figure of 8" Progressing Play Combinations and Support Play ..... 87

6. FC Barcelona "Figure of 8" Progressing Play Combinations and Support Play (Progression) .... 88

7. Ajax One-Twos, Movement, Timing, and Positional Passing ..... 89

8. Rotational Passing Combinations with Overlap Third Man Runs ..... 90

9. High Intensity Game Speed Build Up Play Technical Circuit ..... 91

10. High Intensity Game Speed Build Up Play Technical Circuit (Free Decision Making)..... 92

11. Play Out from the Back Tactical Rotational Passing Combinations..... 93

12. Two Team Positional Build Up Passing Sequences ..... 94

13. Positional and Rotational Combination Play Tactical Patterns..... 95

14. Positional and Rotational Combination Play Tactical Patterns with Switch of Play..... 96

15. Real Madrid Breaking Lines and Support Play Combinations (Variation 1) ..... 97

16. Real Madrid Breaking Lines and Support Play Combinations (Variation 2)..... 98

17. Breaking Lines with Wide Combination Play Diamond Passing with Overlap..... 99

18. Breaking Lines with Wide Combination Play Diamond Passing with Underlap ..... 100

19. Third Man Run Overlaps Passing Combinations with Defensive Pressure..... 101

20. Breaking Lines Passing Combination Waves in Pairs..... 102

21. Rangers FC Breaking Lines with Forward Passing Circuit..... 103

22. Rangers FC Breaking Lines with Dribbling Circuit + Finish ..... 104

23. Two Way Forward Passing, Wide Combinations, and Finishing ..... 105

24. Tactical Build Up to Break Lines and Finish Attacks (Various Patterns) ..... 106

Advance Your Career: Become a Better Coach..... 107
